

Here's how it will work:

1. Go to your favorite, or any random coffee shop. Take a photo of yourself, the ARTIST, that really captures your love for coffee. If you're a regular there, and the people are friendly, get them to join in on the picture with you!
2. Next, take a moment and write a quick "love letter" about your artistic relationship with coffee.
3. Remember to BE CREATIVE!!!
4. Send your photos and letters to :

public@thelaymangroup.org

All ARTISTS whose stories/photos are selected, will also be allowed to feature selections of their work, and links/contact information for readers of the new book!

NOTES :

- Try to keep BRAND NAMES out of the pictures as best as possible.
- Send images JPEGS, GIFS, or PNGS only! Images should be at least 300 PPI (pixels per square inch).
- Landscape/Horizontal pictures will work best for the layout of the book, and will more than likely have a better chance to be selected.

If you have any general questions regarding the Art Loves Coffee project, feel free to email them to public@thelaymangroup.org

Creatively,

The Layman Group
