## POSE AWARDS

*Recognizing Alabama's most promising artists under 20*

We're always excited about any opportunity to recognize the work of young artists! The POSE AWARDS are our means of doing so, while providing Alabama's young artistic community with another source of incentive to further their crafts. These awards will recognize young artists of all mediums who display extraordinary dedication, insight, and passion towards their work. All potential award recipients will be nominated by someone familiar with his or her work. Once the nominations have been accepted, the nominees will enter the PORTFOLIO SUBMISSION process. All submissions will be judged by a panel of prominent Alabama Arts professionals. The Award Recipients will be recognized at a private Award Ceremony on June 5th, 2010.
